QUALITY POLICY

Gomes Faria Bordados presents itself on the textile market as a company that provides embroidery services. We work day in and day out to provide the most appropriate solutions for our clients' needs, with a strong focus on personalizing concepts and brands. We have a modern and versatile fleet of machines that can handle orders of all sizes.

We decided to implement a Quality Management System, in line with the requirements of the NP EN ISO 9001:2015 standard, based on the following principles:

- As a result of our extensive experience in the textile market, we develop high-quality embroidery, meeting our customers' requirements and seeking to increase their satisfaction.
- Investing in the qualifications of the work team, strengthening their skills, and encouraging a culture of continuous internal control.
- Prioritizing rigorous operational planning, demonstrating efficiency and the ability to execute within the agreed deadlines.
- Promoting at all levels, the creation of genuine relationships of mutual benefit, trust and proximity with customers, suppliers, employees, and other stakeholders.
- To continuously improve the processes of the quality management system, creating value for the stakeholders, with the perspective to achieve financial, environmental, and social sustainability.
- Promoting the application of good practices in all aspects of the business and complying with legal and other applicable requirements.
